

# VETERANS OF '56 AND '60 RESPONDING

To the Invitation to Become Honorary Vice Presidents of the Roosevelt Meeting.

## SEVERAL FROM RITCHIETOWN

Said to Have Been the Only Precinct in Virginia That Gave a Lincoln Plurality.

## BRIDGES ARE THROWN OPEN

To the Public and to Clubs Before and After the Speaking.

The invitation to the "First Republicans," who voted for Fremont in 1856 or for Lincoln in 1860, to send their names to the intelligencer that they might be named as honorary vice presidents of the Roosevelt meeting to-morrow, is being liberally responded to. Already the following veterans have sent in their names:

Voted for Fremont in 1856—James T. Wilson, Sand Hill, Marshall county; P. M. Chalfant, 50 Twenty-fourth street; Peter Greer, 525 Market street; A. Harris, 126 North Front street; William Wilson, 3101 McClellan street; George G. McKown, Wheeling; C. P. Schambra, Wheeling; S. R. Sells, 175 North Huron street; Samuel Cole, Wheeling; J. N. Christlieb, 2607 Eoff street; John McKee, 52 Eighteenth street; John Shoup, Benwood; James Brown, Bridgeport, Ohio; Henry J. Leasure, Mount Pleasant, Ohio; General A. H. Beach, Wheeling; Joseph Dudley, sr., Wheeling; Captain Robert Cowan, (voted in Maryland), 66 Virginia street.

Voted for Abraham Lincoln in 1860—John Roemer, Robert Y. Britt, John T. Britt, Captain Andrew Britt, T. A. Hall, John Frew, Christian F. Zorn, Captain William Winder, Wilson Johnson (voted in Maryland), A. H. Forgy, J. M. Brown, 104 South Front street; Adolph Fritz, 4405 Jacob street; C. C. McClellan, 124 Virginia street; Joseph A. Faris, 44 Kentucky street; B. Schul, 3534 Woods street; William Hare, sr., 44 Twentieth street; Henry Seamon, Mountsville; H. S. Richards, Wheeling.

Badges for the old timers, which will entitle them to reserved seats in the grand stand at the state fair grounds to-morrow afternoon, may be had at the intelligencer counting rooms this afternoon after 2 o'clock.

Following are extracts from some of the letters received from the old timers by the intelligencer yesterday:

Joseph A. Faris, Wheeling—"I voted for Lincoln in 1860 and for every Republican candidate since."

J. N. Christlieb, Wheeling—"Aged seventy-nine years; voted for Fremont in 1856 and every Republican candidate since."

Q. C. McClellan, Wheeling—"I was one of the voters who helped to elect to the Presidency of the United States Abraham Lincoln, in the year 1860."

A. J. Seamon, Mountsville—"I have the honor to give you my father's name, Henry Seamon. In addition to the above I might further state that he has voted the straight Republican ticket all his life and will continue to do so. Marshall county will show up with her usual big Republican majority, and on next Saturday we desire the Wheeling brethren to come and give us a big time."

S. R. Sells, Wheeling—"In 1856 I cast my first vote for John C. Fremont. I voted for Abraham Lincoln in 1860 and am proud of it. Hurrah for McKinley!" James Brown, Bridgeport, Ohio—"I am in the seventeenth year of my age, and voted for Fremont in 1856 and for Lincoln in 1860 and 1864. And I have done more than that; I have voted for every Republican presidential candidate from 1856 to 1896, and expect to vote for another on November 6, 1900, which will make twelve without a break."

City Receiver Alex H. Forgy, whose suggestion it was that the "First Republicans" be recognized at the Roosevelt meeting, cast his first vote for Lincoln in 1860, voting at Ritchietown, and which was the only voting precinct in the entire state of Virginia that gave a plurality for Lincoln.

### Many Clubs Coming.

Secretary M. H. McNabb, of the committee on visiting clubs, is receiving many acceptances for "Roosevelt Day's" night club demonstration. So far the following clubs have accepted: The Pittsburgh Tariff Club, Pittsburgh; American Club, Pittsburgh; The Wilmerding Club, Wilmerding, Pa.; Twenty-first Ward Republican Club, Pittsburgh; Homestead Republican Club, Homestead, Pa.; Homewood Republican Club, Homewood, Pa.; Lincoln Cadets, Pittsburgh; Quacy Central League, Pittsburgh; Rochester (Pa.) Republican Club; M. S. Quay Republican Club, of New Brighton, Pa.; Lincoln Club, of New Brighton, Pa.; Young Men's Republican Club, of Beaver, Falls, Pa.; Young Men's Republican Club, of New Castle, Pa.; Young Men's Republican Club, of Sewickley, Pa.; Rough Riders, of Steubenville, Ohio; Colored Property Club, of Steubenville, Ohio; Republican Club, of Selo, Ohio; Young Men's Republican Club, of Cadis, Ohio; Republican Club, of Flushing, Ohio; Blackburn Guards, of Bellaire, Ohio; Gravel Hill Republican Club, of Bellaire, Ohio; McKinley and Gill Club, of Bellaire, Ohio; M. A. Hanna Club, of Martin's Ferry, Ohio; J. J. Gill Club, of Martin's Ferry, Ohio; Young Riders, of Martin's Ferry, O.; mounted; S. M. Steele Marching Club, of Mountsville; Sewickley Republican Club, of Sewickley, Pa. Last night the intelligencer received the following from the crack Sewickley Republican Club, of Sewickley, Pa., and

an invitation was immediately wired the secretary:

To the Editor of the Intelligencer.

SIR:—The Republican club of this place would like to take part in the demonstration next Thursday night, and would respectfully ask for recognition by the committee of arrangements for that occasion. This club is even one hundred strong, having in addition thirty pieces of one of the best bands in this end of the state, it being practically the same personnel as that which composed the famous Beaver Falls drum corps, which created a furore in former campaigns, under the leadership of James S. Gray. The club is handsomely uniformed and equipped with banner and flags, each member carrying the cane flag when on parade. Their outfit is unsurpassed by any, as the club was organized and supported by the residents of the Sewickley valley, who, as you know, represent the most prominent business and professional men of Pittsburgh. We will go to your city by special train, provided by the courtesy of the Pennsylvania company officials, via the Cleveland and Pittsburgh railroad, running into the freight terminal in your city, arriving about 6:30 p. m. This club is largely composed of the veterans of the famous Battery B, who took such active part in the Spanish war in Porto Rico, with quite a number of the Eighteenth and Fourteenth regiments, who also participated in the service during the last war. The club is commanded by Capt. Charles E. Ellis, of Battery B. They are thoroughly drilled, having, during the past two months, been under constant drill, and make a fine appearance on parade. The men represent the pick of Sewickley's well known people, and will be a credit to any demonstration.

Will you kindly put us in touch with the proper committee, and have them wire me at my city office, 331 Fourth avenue, Pittsburgh, at once, if they will locate us in good position in the parade? The club will arrive about the same time as the New Castle, Pa., club, which goes via the same route. Most of our club members are employed in business in Pittsburgh, and our train will start from Sewickley, running through the city to pick up the men on route.

Should we receive an invitation, we ought, properly, to be located among the Pittsburgh clubs, as we are practically the same, but this is a case where "beggars are not choosers."

Thanking you in advance, and trusting we may share in the honors of your demonstration, I remain,

Yours respectfully,  
GILBERT A. HAYES,  
Secretary.

### "I Thought I Would Never Be Well Again."

One of the saddest things that can happen to a woman is to fall into such a depth of despondency through unnatural weakness and disease as to imagine that she can never recover. "For two years," says Mrs. W. G. Day, of Troy, N. Y., "I was in a state of weakness, headache, pain in my back and side, which would become so sore that I could hardly bear the weight of my hand on it. I had cold hands and feet and many other bad symptoms. I was nervous to mention. Home physicians' treatment did me no good. I had become very despondent and thought I would never be well again."

"But with a faint heart I wrote to Dr. R. V. Pierce, of Buffalo, N. Y., and described my symptoms as best I could. He promptly answered by letter, and sent me a treatise on 'Women and Their Diseases.' It also outlined a treatment for me which I followed to the best of my ability, and after taking six bottles of Dr. Pierce's Great Peppermint Cure, I was cured. I felt like a new woman. In a few months afterwards, when I was suffering with the many troubles of pregnancy, I procured 'Favorite Prescription' again and took it through that time. I soon became very stout and felt well. I was in labor only a short time, and my baby was a fine boy, now two months old, and has never been sick any. I cannot find words sufficient to express my praise of Dr. Pierce's medicine. I never miss an opportunity to recommend it. I hope all suffering ladies will consult him, for they will be benefited by taking his medicine."

Letters to Dr. Pierce are treated in the most secret and confidential manner, without permission, and the most careful, professional advice is given by return mail free of charge. Women would understand their own mental and physical natures better; they would make better wives and mothers; they would be every way healthier, happier, and more capable by reading and studying Dr. Pierce's great, above-mentioned treatise, "The People's Common Sense Medical Adviser." It is a veritable, complete family medical library in one magnificent volume. More than half a million copies have been sold at \$1.00 each, but a free copy, paper-bound, will be sent to any woman on receipt of 10 cent stamp, by the use of mailing only, or a brief, handsome cloth-bound book is preferred, send 31 stamps.

General orders for the formation of the clubs for the night demonstration will be issued to-day and printed in tomorrow's Intelligencer. Unofficially the following is already determined upon: The uniform for marshals and aides will be dark clothes, dark soft hats, leggings or boots and sash of color designated for each division, yellow or buff for the chief marshal's staff, red for the first division, white for the second, and blue for the third. Marshals will wear sash from right shoulder to left side, aides will wear sash around the waist, knotted at left side. The parade will form as follows: Chief marshal and aides on Chapline, south of Sixteenth, first division, on Fifteenth, right on Chapline; second division, on Fourteenth, right on Chapline; third division, on Chapline, right on Fourteenth.

At the meeting of the marshals there was an interesting discussion as to the route, but the desire of the Eighth ward people that the lower turning point be Thirty-ninth street instead of Thirty-sixth, was gratified. The route will be as follows: From Chapline down Fourteenth to Market, on Market to Seventh, on Seventh to Main, on Main to Twelfth, on Twelfth to Market, on Market to Twentieth, on Twentieth to Chapline, on Chapline to Thirty-third, on Thirty-third to Eoff, on Eoff to Thirty-ninth, on Thirty-ninth to Jacob, on Jacob to Thirty-third, on Thirty-third to Eoff, on Eoff to Twenty-third, on Twenty-third to Chapline, on Chapline to Twenty-second, on Twenty-second to Market, and on Market to Fourteenth, disband.

A delegation from Martin's Ferry, composed of Messrs. E. J. A. Drennon, E. H. Ryder and George G. Sedgwick, was present, and stated that the J. J. Gill Club, Mark Hanna Club and Martin's Ferry Rough Riders would join in coming to Wheeling on a special train on the Wheeling & Lake Erie, arriving at 7:20 p. m., and leaving for home at 11 p. m. Fully 500 are expected in this party.

### General Committee.

The general committee on arrangements met at the rooms of the county board of commissioners, Chairman S. G. Smith presiding. It was decided that Mr. Smith would introduce as the chairman of the Roosevelt meeting, Hon. A. B. White, the Republican candidate for governor. Chairman White will be assigned the distinguished honor of presenting Governor Roosevelt to the audience. Governor and Mrs. White will leave with the Roosevelt party for the southern part of the state immediately after Mr. Roosevelt's speech, and First Vice President J. H. Atkinson, of New Cumberland, will then act as chairman of the meeting, and introduce the other speakers, Colonel Curtis Guild, of Boston, and Hon. John Proctor Clark, of New York.

The committee conferred with the officials of the two bridge companies relative to special rates or free toll on "Roosevelt Day" and the following agreement was reached: "From 9 a. m. to 6 p. m. the four bridges are to be thrown open free to all foot passengers, whether in uniform or otherwise; all horsemen and vehicles of every kind and character which may be a part of the procession to or from the fair grounds on the 18th day of October, 1900, go free; also free to all uniformed clubs coming to and returning from the evening demonstration in Wheeling."

The speakers' stand at the fair grounds will be located adjoining the grand stand, and the speakers will face from the grand stand, thus giving good "hearing space" in unlimited quantities.

### "Roosevelt Day" Notes.

"Roosevelt Day" vice presidents can secure their badges to-day or to-morrow up to noon from David C. Dinger, at the Republican congressional headquarters.

Parties desiring ground privileges for "Roosevelt Day" at the fair grounds, should apply to D. C. Dinger, at Republican headquarters to-day. No privileges will be let for intoxicants or gaming devices.

Charles Seibert, of Triadelphia district, is in charge of the formation of a mounted division for the night demonstration, which will rendezvous at Al-

tenhelm, on the National pike at 6 o'clock sharp to-morrow evening.

Business men generally desiring to take part in the night demonstration on "Roosevelt Day" are requested to join with the Young Men's Republican Escort Club, which will form at the city building square at 7 p. m. sharp.

Secretary M. H. McNabb, of the committee on visiting clubs, last night received the acceptance of the McKinley and Roosevelt Republican Club, of Mingo Junction, Ohio. This club will come 100 strong, over the Cleveland & Pittsburgh.

### More Volunteers.

In addition to the names published yesterday of ladies volunteering to assist the reception committee at Arion hall, the following ladies have volunteered: Mesdames Joseph Hedges, Wm. Kirbach, Otto Schenck, Oscar Callahan, Oliver Belleville, Curtis Bryson, Jane Gasaway, Ella Beck, S. Barnes, F. Bourne, Kate Wells, J. P. McCready, F. C. Fette, and Misses Rose and Maggie Baumburger, Ethel and Ella Jackson, Jennie Humes, Annie Belleville, Francis Morgan, Carrie Spargo, Olga Roller, Serig, Frew, Nellie Smith, Ella McCready, Ella Bishop, Minnie Costello, Effie Elliott and Phoebe Smith.

All that have volunteered are requested to be at the Arion hall Thursday morning at 8 o'clock.

The reception committee meets this evening at congressional headquarters.

### Ohio-Side Demonstration.

The committee of Bridgeport and Belmont county Republicans in charge of the demonstration on the afternoon of "Roosevelt Day," is making excellent progress, and a turn-out of 2,000 or more men is expected. Acceptances have been received from many clubs, including those of Warren, Colerain, Martin's Ferry, Bellaire, Mount Pleasant, Flushing. Citizens on foot and on horseback will also appear in this demonstration. The parade will form on Bank street in Bridgeport between 10:30 and noon, and the route will be across the island, past the McLure, and back to the island, where, on South Penn street the ranks will be opened and Colonel Roosevelt will be driven between to the accompaniment of a tremendous ovation.

### PERSONAL NOTES.

#### Going and Coming of Wheeling People and Visitors.

Mr. Sam Hugh Brockunier, of North Main street, has arrived home from Honduras, Central America, after many trials and tribulations. With Mr. E. W. Stifel and other Wheeling men, he is interested in gold mining in Honduras, and has been in the tropics for several months. He was unable to come home via New Orleans, owing to a yellow fever quarantine against passengers from Honduras that prevailed at that place. Coming home, he took a cattle steamer from Honduras port to Havana, and thence via the Ward line steamer to New York, where he was detained two days on Huffman island, as a yellow fever suspect. Mr. Brockunier was especially anxious to arrive home in time to vote for President-McKinley, and his friends will rejoice that his wish has been gratified. He will remain in Wheeling several weeks, and then return to Central America, where his investments appear quite promising.

Will Lutz, of the Island, is on a business trip to New York.

George Dobbs has been appointed trumpeter in Company A, First regiment, West Virginia National Guard.

Herman Bentz, accompanied by his mother, were at Weilsburg yesterday, attending the funeral of W. B. Lewis.

Mr. John Singer, and family, of St. Joseph, Mo., have returned home, after a pleasant stay with friends on South Chapline street.

W. A. Higgins, of Cleveland, who was formerly a well known Wheeling newspaper man, is in the city, the guest of his brothers, B. F. and T. H. Higgins.

Lieut. John L. Hunt, of Burton, quartermaster of the First Battalion, First Infantry, West Virginia National Guard, was in the city on business yesterday.

Auditor L. M. LaFollette, of Charleston, was in the city yesterday, en route to Grafton, for a visit with friends. He is confident of Gaines' election in the third congressional district.

Capt. William Winder, accompanied by his son William Winder and P. J. Murphy, has returned from a three weeks' trip through Ohio, Indiana, Michigan and Canada. Captain Winder says even Canada is for McKinley.

Mr. Glancy Sherman, of Sequatchie, Tennessee, is in the city for a few days, the guest of his brother, Traveling Passenger Agent Sam Sherman, of the Wheeling & Lake Erie railroad. Mr. Sherman is the manager of the Sequatchie Properties, a southern investment of New England capital.

Christian Searns and family, of St. Augustine, are the guests of relatives out Caldwell's run. Mr. Searns was formerly in the grocery business on the South Side, but is now the owner of a large pineapple and orange grove south of St. Augustine. He has not been in this city for seventeen years and is surprised at the change that has come over the city in that period.

### A Clock Company.

Wheeling men are interested in the formation of the Poole Clock Company, of Wheeling, which will acquire the invention of Mr. Poole, of Washington, Pa., by which one "father clock" in any large building, like the office buildings in large cities, will automatically regulate all the clocks in the building. The company has been incorporated and will begin the manufacture of the new clocks in the near future. One of the clocks is now on exhibition—in actual use—in the office of T. B. Sweeney, 1221 Market street.

### BODY-RESTORER

Food is the body-restorer. In health, you want nothing but food; and your baby wants nothing but food. But, when not quite well, you want to get back to where food is enough. One of the most delicate foods, in the world, is Scott's emulsion of cod-liver oil. When usual food is a burden, it feeds you enough to restore your stomach; baby the same. The body-builder is food; the body-restorer is Scott's emulsion of cod-liver oil.

We'll send you a little to try if you like.

# ..POLITICS..

There was a large meeting of the Progressive Club last night, at which Mr. F. W. Nesbitt made a telling speech, outlining the issues and urging the voters to press forward to victory. The club was also entertained by Dr. D. H. Taylor, and the members assert that if the campaign lasts much longer Dr. Taylor will be numbered with the spellbinders. There were also short speeches by G. W. Johnson, I. W. Jones and Thomas Norris.

Yesterday morning at the Haskins hospital, occurred the death of A. M. Alberts, a hotel man and oil man of Barnesville, Ohio, from a carbuncle on the forehead, which developed into erysipelas with fatal results. The body was prepared for burial by Undertaker Robert F. Hill, and was sent to Barnesville last night, accompanied by a committee of Wheeling Lodge No. 28, B. P. O. E., of which the deceased was a member. The interment occurs this afternoon at 2 o'clock at Barnesville.

The old William Leasure homestead at the corner of Thirty-eighth and Jacob streets, South Side, is to be moved across the street, to make room for a modern three-story business block to be built by August Meyer on the lower half of the lot, while H. J. Leasure will erect a two or three-story building on the upper half. The Leasure homestead is an old landmark, having been erected in 1822.

### FAKE SPECIAL

Sent From Doddridge Reporting the Democratic and Republican Meetings There—Senator Frye's Large Crowd.

To the Editor of the Intelligencer. I notes in the Wheeling Register, a special from West Union which says the rights of the people were ably advocated there on the 11th inst., by Holt, Raymond and Brennan, and that they were greeted by an overflowing house of intelligent and appreciative citizens and it further says that many Republicans left Senator Frye's meeting in disgust.

I was in attendance at both meetings and heard the speeches of all the distinguished men; the Democrats resorted to the same tactics always employed by them, namely, trade, abuse and falsehood. They clearly misrepresented the issues of the day, and the "overflowing house" mentioned amounted to about 100 down east Democrats who have no hope of success in this county.

On the other hand, there was a crowd of 1,000, at least, to listen to Senator Frye. His argument was considered the best ever heard at this place in the last quarter of a century.

A flag pole nearly 100 feet high was raised and Old Glory now floats from its top.

Doddridge is in line and will increase its majority over past years.

A FARMER.  
Parkers, W. Va., Oct. 16.

### FAMILY WASHING.

Rough Dry Washed, Starched and Dried 5 cents per pound.
